

How To Make A ZINE PAGE

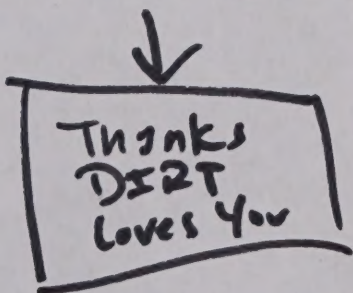

Cut 8"x11" white paper in half

Draw border around half-page, about $\frac{1}{4}$ - $\frac{1}{2}$ in. so edges don't get cut off in photocopying

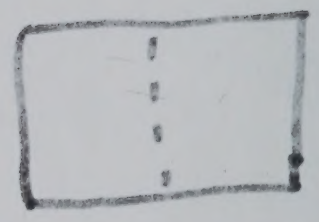

GO CRAZY inside yr border! Drawings, ratings, reviews, if it's about music then DIRT digs it! Drop it in the box on the shelf under all the records when yer done

How to Make A SIGN
PAGE

Cut 8"x11" white paper in half

20 edges don't get cut off in photographing
1/4" border around half-page, about 1/4" is in

under all the records when her done
close it! Drop it in the box on the shelf
counters, reviews, if it's about music then FIRST
GO CRAZY inside the border! Dummies!
